54 — oh if you e ver come back if you e ver come back now —

Now they say I'm wasting my time
 Cause you're never coming home
 But they used to say the world was flat but how wrong was that now

And by leaving my door open
 I'm risking everything I own
 There's nothing I can lose in the break in that you haven't taken

And I wish you could give me the cold shoulder
 And I wish you could still give me a hard time
 And I wish I could still wish it was over
 But even if wishing is a waste of time
 Even if I never cross your mind

I'll leave the door on the latch
 If you ever come back, if you ever come back
 There'll be a light in the hall and a key under the mat
 If you ever come back
 There'll be a smile on my face and the kettle on
 And it will be just like you were never gone
 There'll be a light in the hall and a key under the mat
 If you ever come back, if you ever come back now
 Oh if you ever come back, if you ever come back
